SUMMARY

Frontend developer with over 3 years of building clean, responsive, and accessible web experiences with **Next.js, TypeScript, and Tailwind CSS**. Passionate about UX polish, motion design, and converting Figma designs to high-performance production sites.

EXPERIENCE

Frontend Developer @ Olivion

Nov 2025

Developed an interior decoration company website using Next.js, TypeScript, and Framer Motion. Implemented advanced Swiper.js carousels and responsive layouts.

[Live Project](#)

Frontend Developer @ Nexcent

Oct 2025

Business lessons platform. Successfully converted complex Figma designs into fully responsive React production components with TypeScript.

[Live Project](#)

Freelance Developer @ Portfolio Projects

Sept 2025 – Oct 2025

Engineered custom React-based portfolios for professionals to showcase high-end work and technical case studies.
